INTRODUCTION

P AND M FRESH PRODUCE is a 100% black owned BBBEE Level 1 enterprise based in Alberton North and has branches in Lebowakgomo, Limpopo Province and, Northwest Province. The company commenced operation five years ago, but was formally registered in 2020 and its main focus is the packaging and processing of fresh and frozen agricultural produce; e.g. fruits and vegetables.

VISION

Our company vision is to be one of the most quality passionate professional packaging, supply and delivery companies around the provinces of Southern Africa.

MISSION

Our mission is to render quality services to government, and the private sector.

ABOUT US

OBJECTIVES

OUR FOUR MAIN STRATEGIC KEY POINTS IN ACHIEVING OUR GOALS AND OBJECTIVES

- ✓ To be professional at all times dealing with current and potential clients
- ✓ To always be honest and ethical in all our business transactions
- ✓ To remain an independent company giving 100% service to our clients
- ✓ To always meet the expectation of our clients, P AND M FRESH PRODUCE has been supplying parastatals such as, hospitals, clinics and other companies with freshly cut vegetables, fruit and salad greens since 2020 and prides itself on its track record.

We offer a range of technologies to assist with controlled atmospheric storage and improved atmospheric packaging to maintain a freshly packaged appearance. For further processing we have chilling, freezing and coating technologies to ensure a high quality value added product. Our storage facility includes a cold room and our delivery trucks are all fitted with cold storage by ISO Bodies.

Our cold storage facility is able to store large scale bulk quantities of all type of fruits and vegetables, we are able to store frozen vegetables for a determined time period; please contact us for more details on these rations.

SERVICES

Core Supply – We supply fresh fruits, fresh, processed and frozen vegetables to both public and private parties, restaurants, events, government events and more.

OUR SERVICES THAT WE OFFER

Retail – We do van sales to retail shops. We are able to deliver any quantity of high quality fruits and vegetables to your outlets anywhere within South Africa.

Processing – We do fruit and vegetable processing at our facility.

Storage – We pride ourselves on our hygienically clean storage system that is regularly inspected by several government bodies. Our cold room storages ensures our products are always fresh.

VEGETABLES

we offer a wide range of fresh vegetables which include Tomatoes, Lettuces, Beans, Pumpkin, Chilli Peppers, Lemons, Cauliflower, Spinach, Carrot, Onion, Potatoes, Broccoli, Sweet Corn, Cucumbers, Beetroot, Celery and many more.

We are engaged in supplying a wide quality of vegetables to our clients. These vegetables are highly appreciated by diet conscious people because of low calorie fibre content.

Stringent quality tests are conducted to ensure the freshness and quality of our vegetables.

These products are obtainable at market related prices. We are also able to supply any or all of these vegetables frozen.

MANAGEMENT

Company Director (Owner) - P AND M Fresh Produce (Pty) Ltd

Mrs. Prudence Sefularo Manaka

Designation:	Managing Director: (Owner)
Nationality:	South African
Qualification:	Bsc Food Science & Technology

Mrs. Prudence Sefularo Manaka is a seasoned entrepreneur who has gone through a rigid training in becoming a professional food scientist and a business leader in a male dominated profession, and her success was born out of day-by-day hardships which intern built her strength. She has in a process developed a number of empowerment ventures in the food & technology environments. As an active director of P AND M Fresh Produce (Pty) Ltd, she is responsible for growing the business and to ensure that it makes a mark in the market place. Her passion is to see women playing a meaningful role in the food industry within the Southern African and the entire African Continent. In 2009 she worked for QPRO International as a Food Controller, in 2009 – 2010 she worked for Air chefs International Company as a 'Quality Assurance Controller', in 2011 she attained a position as a 'TEMP Quality Controller' with Grayston Fruit & Veg Company, and in 2012 she worked for Select a Salad as a Quality Assurance Controller. Her eleven years of experience in the food and Technology industry has thus far proven that women can really become business leaders and pioneers who champion community development initiatives to make South Africa better for all.

OUR EMPLOYMENT CONDUCT

All the professionals we hire are properly inspected by the HR Department during the employment stages, to ensure that they are fit and ready for duty. After being deployed for duty they are closely monitored by our operations manager. We work with qualified academics in every area where we operate. All our Assessors and Moderators are licensed and approved by the Services SETA. All our training facilities around the country are certified, and approved by the relevant bodies.

EMPLOYMENT STANDARDS

We have full-time employees and we do hire part-time workers when a need arises from project to project, and all our employment contracts are based on the duration and the term of the contract; however, we offer equal benefits to all our workforce.
